

## Edu-Dance Program PP – Yr 5 Term 4 2018

Dear Parents

Edu-Dance is a creative hip-hop dance program designed for primary school students developed in Perth, Western Australia.

It provides children with the opportunity to be part of a fun and energetic dance program within their own school community.

The program fulfils the Physical and Health outcome requirements (Dance element) for students and covers many other aspects such as coordination, musical appreciation and self-confidence, and gives many children the opportunity to experience the excitement of performing in front of an audience. Most importantly it is promoted as a program for fitness and fun. Each year level has a program specifically designed to suit their age group with appropriate music selected to complement each group.
