2027 Charges and Voluntary Contributions

Dear Parents/Guardians

Financial support by parents/guardians has always played a significant role in providing resources that maximise the school's capacity to add value to the learning experience of students.
Your voluntary contribution is essential to partially fund the total expense per student. Other sources of funds include P&C contributions through fundraising efforts.
The quality of our teaching and learning programs is enriched when all families contribute to supplement funding from other sources, including State and Commonwealth Governments.
The total amount of contributions requested of parents and carers has been contained within the **$60** maximum set in the School Education Act and Regulations 2000.
